Station Udipi., *Dated the* 27th November 1936.

From (Name) M. R. Ry. M. Narayana Shenoy, B.A., B.L.,
(Designation) Commissioner, Udipi Municipality.

To The Secretary to the Government of Madras,
LOCAL SELF GOVERNMENT Department.
Through The Chairman, Municipal Council, Udipi.

Sir,

The Municipal Council in its resolution No.1 dated 23-11-36 (copy enclosed) has resolved that the Government may be requested to treat the loan of Rs.20,000/- sanctioned in G.O.Ms.4380 L & M., dated 24-10-1935 as a grant in view of the financial stringency of the Municipality. In this connection I submit that a sum of Rs.4430/- ~~Rs.~~ 3730/- towards principal and Rs.700/- towards interest has already been returned to Government on 19-11-1936 by transfer adjustment at the Udipi Sub-Treasury. In the event of Government conceding to the request of the council, I am to request that the amount already refunded to Government may kindly be retransferred to the Municipal funds. The Government may be plea

pleased to pass early orders accepting the resolution of the council.

Your obedient servant,

COMMISSIONER.

2.That the funds of the Municipality are slender, is a fact beyond dispute. With the existing state of finances the municipality cannot hope to effect any improvements in many directions calling urgent attention with a standing loan repayable to Government. In view of these facts, the Government may be pleased to consider sympathetically the proposal of the council and pass early orders accepting the same.

CHAIRMAN, U.M.C. 30.11.36.

C No 41128. From the Commr. Nidipi

Mcpty. Roc No 2554/36 dt 27.11.1936.

Subject. Loan – Nidipi Ml. cl –
Rs 20,000 – Conversion as
a grant.

The Nidipi Ml-cl. requests
that the advance of Rs 20,000 sanctioned
(U) in Go No 4380 L+M dt 24th October 1935
may be written off in view of the
financial stringency.

According to the B.E. of the cl.
for 1936-37 the ordinary receipts
under the General Account were
expected to fall short of the ordinary
Para 9 pp 64-65 of & 3720 L 29/8/36 (Y) expenditure by about Rs 1,350,
non-recurring items being included
from both the receipts & expenditure sides.
In order to remedy this defect the
cl. was compelled to levy an
& 1396 Edn 5.6.36 (Z) education tax of 1% per annum
on the annual rental value of buildings. As
a result, the general funds may be
expected to get a relief of about
Rs 5,000, the proceeds of the
Edn. tax

Edn. Tax + Govt. Contribution being estimated to amount to about Rs 6,000 per annum. As the ordinary receipts may be expected to exceed the ordinary expenditure by about Rs 3,650 the financial position of the Cl. under the Gl. Fd. should be considered as satisfactory. It is also in this connection pointed out that according to the B.E. for 86-87 the Gl. Fd ordy. was expected to close with a balance of Rs 18,850 while the Council will be able to repay the remainder of the loan (viz 4 instalments of Rs 4,430.) There is ~~one~~ no justification to waive the recovery of the loan as requested by the Cl.

A draft order is put up below for approval.

The govt. ~~consider that the financial position of the Ndipi Ml. cl. under the "General Account — Ordinary" is fairly satisfactory.
